Reasons for comment:	
Comments:	Keeping in mind all schools keep child safety at the heart of what they do day in day out having houses especially behind the school overlooking a playground is just not safe. This could expose children to all sorts of danger (yes this is worst case scenario but no one knows of anyone's intentions). Having bought a house in the area recently the reason was because Meopham is such a green area it's a village with a village feel new built houses would take away from the village feel. It is neither safe nor practical having new houses built it should be kept as is.

Kind regards
