### Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I think it would be a devastation to our landscape to ruin this beautiful place for nature. Why don't you let people build on expand and improve what is already built and rejuvenate the many derelict empty buildings that are already present. Not only that places like this are great for improving mental health which is a an ever growing problem.

Kind regards
