Reasons for comment:	
Comments:	The infra structure in North Kent as a whole can not cope as it is. The amount of properties that are being proposed for this beautiful area on the outskirts of our larger town of Gravesend and even Dartford to a degree is absolutely ridiculous. Our countryside in the UK as a whole is being decimated, and at this rate there will be no greenery or woodland and Kent will be a concrete jungle. I can not fathom why the derelict buildings that are going to rack and ruin in this area aren't being repaired and refurbished instead.

Kind regards
