Reasons for comment:	
Comments:	These plans are for next to a SEN school and close to a primary school and would make access to both schools extremely dangerous due to the extra volume of traffic. Already Longfield Road is extremely difficult to drive along due to the residents parking on both sides of the road. An extra 240 cars using the road would increase this problem. Longfield Road is already used by a high volume of HGV vehicles causing traffic jams.

Kind regards
