Reasons for comment:

Comments: This is absolutely crazy to even think of building here.  
This part of Meopham is already highly congested.  
The parade of shops is already an accident hot spot with vehicles pulling in and out. Building opposite here will add untold volume of vehicles (2 per house minimum = 700 cars) and pedestrians to an over populated area add to that delivery drivers etc  
The schools are full  
The doctors and dentist are full  
Re develop brownfield along the river in Gravesend makes far more sense that spoiling a village that is within a conservation area  
Who in their right mind would even contemplate building here??

Kind regards
