Reasons for comment:	
Comments:	<p>I object to 350 houses being built because it is green belt land and it has not been released from the green belt boundary. It will increase traffic tenfold around the Meopham area, especially during school start and finish times where parked cars are already struggling to find spaces due to also the busy shopping area opposite. There would also be dangerous access to 350 houses with small and narrow roads. Plus it would put an even greater strain on our GP practices and access to schools.</p> <p>I moved to Meopham partly due to the fact it was not a built up spot and this will visually impact the area!</p>

Kind regards
