Reasons for comment:	
Comments:	<p>How an already over crowded village will be able to cope with an additional 150 houses and the amount of traffic it will generate is baffling.</p> <p>Living at the end of Norwood Lane, junction with Wrotham Road, I see the traffic delays daily without additional housing, the local area will grind to a halt at rush hour generating increased pollution.</p> <p>The local amenities can't deal with the amount of people already let along additional houses. The green belt will disappear and a village will turn into a town. Whoever thinks this planning is a good idea obviously doesn't live in the area.</p>

Kind regards
