Reasons for comment:	
Comments:	<p>How can this even be a consideration. The roads are constantly blocked. This is next to a special school - what impact will this have on vulnerable young people?? .</p> <p>We desperately need to protect our countryside. Builders should be using derelict buildings that have been empty for years. Very disappointed this is even being considered. Please come and experience our A227 road around school drop off and pick up time - then reconsider.</p>

Kind regards
