Reasons for comment:

Comments:	<p>I object because the impact of this application will increase the traffic in an already very busy route and diversions aren't practical on surrounding rural side roads.</p> <p>Schools and doctors are already over subscribed and appointments and places are hard to come by.</p> <p>The land needs to stay as precious farmland providing much needed food production.</p> <p>With the impending construction of the Lower Thames crossing, short cuts and extra traffic will inevitably impact the A227 and surrounding roads, without potentially adding another 700 cars from this development.</p>
