## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>This is development on Greenbelt land that is used for Farming not a brown field area that has been used before.</p> <p>The development will almost link two separate villages together forming another conurbation instead of the lovely villages that they are at the moment.</p> <p>There is no allowance for the increase in traffic, all which will have to access along country roads with no access to a main road.</p> <p>The area is already used as a rat run whenever there are problems on the A2 or M20</p> <p>The GP and local hospitals can not cope with the current population let alone adding more into the system.</p> <p>Totally object to this development</p>

Kind regards
