Reasons for comment:

Comments:	<p>access is dangerous as it's close to very busy Green Lane junction and opposite shops exit which is an accident blackspot.</p> <p>A minimum of 700 extra cars + visitors and delivery will gridlock this already very busy part of Wrotham Road.</p> <p>3 schools nearby with risks to children crossing and parked cars will worsen gridlock</p> <p>Local rural road are far too narrow to take extra traffic.</p> <p>Sole Street and Meopham stations could not take the extra standing people at rush hours</p> <p>Public transport is patchy and rare.</p> <p>Already under pressure GP and hospital services and schools cannot cope.</p> <p>Prime agricultural land which grows food for the UK, which would be lost forever.</p>
