Reasons for comment:	
Comments:	<p>access is dangerous and completely inadequate from this narrow lane. A minimum of 600 extra cars + visitors and delivery will gridlock this already this narrow rural lane and on to very busy part of Wrotham Road. 3 schools nearby do not have capacity other Local rural roads are far too narrow to take extra traffic. Sole Street and Meopham stations could not take the extra standing people at rush hours Public transport is patchy and rare. Already under pressure GP and hospital services and schools cannot cope. Prime agricultural land which grows food for the UK, which would be lost forever.</p>

Kind regards
