Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The altered plans indicate taking half the front garden to accommodate 1 extra parking spot.

I would like to point out that the existing garage is too small to accommodate a modern day car, unless it is being rebuilt.

The plans also show 2 cars parked to the front of the property 1 behind the other but this is not possible there is only room for 1 car in the front of the property, without blocking the neighbouring drive or road, not enough depth.

The plans need to have detailed measurements.

Regards

Kind regards
