Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to oppose the erection of this extra floor as it will block the view from [REDACTED] property, restrict natural daylight and also invade [REDACTED] privacy. we had to put up with 8 months of noise, mess and rodents when the building was recently gutted and of late there is a build up of rubbish in the area to the back of the property including a dirty bed base. This proposed elevation will be directly in line with our bedroom and lounge. This will also restrict our view of the Church. This building should be kept as two floors and used for office space only

Kind regards
