Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I cannot understand how an application can even be considered for lorries to be allowed to go in such small roads, wich are difficult enough in a car to navigate. There are horses, pedestrians and cyclists that use this country lane. How do you get out of the way of lorries???. If this planning application goes ahead there will be accidents.

Kind regards
