Reasons for comment:

Comments: Allowing multiple HGVs and associated plant/machinery to this site along narrow country lanes is ridiculous. I understand the route will pass in front of Istead Rise school. This is insanity, and will lead to accidents let alone the pollution which apart from the obvious issues with the school. The route also runs along a valley floor. This will greatly reduce dispersal of the fumes etc. . The Gravesend/Dartford ares is awash with more suited locations. This location is obviously cost driven by the applicant .

Kind regards
