Reasons for comment:	
Comments:	This location is ideal - easy to reach by foot and public transport and especially for elderly residents and local families with children. It will definitely help reduce car use and traffic congestion while providing a safe and welcoming space for the community. I strongly urge Gravesham Council to support this application as there is a huge need for the premises. On friday prayers the two existing facilities are not enough with overflow spreading onto the road, which is not appropriate and this needs to be addressed by the Council. This project is self-funded and only supports the Council in managing the minority faith communities of Gravesham

Kind regards
