Reasons for comment:	
Comments:	<p>The sudden increase in housing is too much. The number of homes proposed is far too much for Meopham to take into consideration. There are more suitable sites located nearer to Gravesend. Allowing development here will encourage speculative developments to occur anywhere in the countryside.</p> <p>The infrastructure cannot cope with 350 homes, there is already another proposal for 120 homes nearby this has the potential of adding another 1000 people into the area. Since there are no efforts to build more schools or increase services. Development should be refused.</p> <p>Lost of agriculture land is also another factor.</p>

Kind regards
