Reasons for comment:

Comments:	As I've already stated in my support of the application for 24 Thong Lane I see no reason for the planning application to be refused as all of the houses 1 to 55 except 1 have drop kerbs and crossovers as do houses 2 to 14. Above Barr Road there are also 7 drop kerbs and crossovers. A shared vehicle access between 22 and 24 will minimize the damage to the grass verge and will decrease on street parking. This in turn will decrease traffic congestion through people parking opposite each other and therefore decrease the possibility of accidents.
