Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I pass through this area regularly and I see no necessity for changing the flow, obstructing parking on the road for residents in an area where they are already restrictions due to the station or putting in a road about. There is absolutely no need for any changes provided people approach the hazards with die care and consideration for other road users. On the odd occasion I have had an issue it has been caused by excessive speed of vehicles.

Kind regards
