Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I have lived in and been associated with my property which neighbours the land is subject to this planning application. There have been many applications to build on this land over the years none of which have been supported. This application once again looks to join Meopham and Sole Street by building on the field. The surrounding area is not equipped to support the existing housing which suffers from inadequate drainage and very poor /inadequate electricity supply. The development will be a blight on this already overcrowded village which does not have the roads to support another increase in traffic Please consider very carefully.

Kind regards
