Reasons for comment:	
Comments:	This will ruin the land, the lives of people living close by will be ruined with such a huge building near their homes. The roads will not be able to cope with the increased traffic or heavy good vehicles. Would ruin a nice area for those that live close by and for those that live within a few miles of this proposed development. You cannot allow for this to be approved - we need to protect our land and consider the individuals lives who live in the surrounding area.

Kind regards
