Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I do not think that the planning application should be approved for the following reasons: 1. The AONB must be protected, there is enough planned loss of the countryside in this area. 2. The disruption caused by additional traffic through rural villages is unnecessary and the roads can't cope with large lorries through narrow country lanes. 3. This building will cause an eyesore in a rural area, from people's houses, the local roads and from lower in the valley. 4. Additional noise and light pollution is not appropriate in a rural area.

Kind regards
