Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this proposal due to the significant impact it will have on the local area. This proposal is a monstrosity built in an AONB. It will cripple already overwhelmed local road infrastructure, blot the landscape and bring little to no benefit to local residents. If this type of facility is needed, it should be built on suitable brownfield land, not green belt.

Kind regards
