Dear Sirs

Re Unit 23, Apex Business Park, Queens Farm Road, Shorne, Gravesend
Erection of temporary structure for workshop/office to include installation
of foundation slab. Ref: GR/2024/0454

The Society is concerned that it is proposed to site a tall building close to the southern boundary of the site and the visual impact this would create. The proposed use needs clarifying since access to the site is along narrow rural roads, unsuitable for heavy goods vehicles.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
