Reasons for comment:

Comments: Eight reasons to reject this application and immediately uphold the 2009 High Court injunction that has been deliberately and repeatedly breached.

1. The land is Grade 2 agricultural land
2. The land is in the Green Belt
3. The land is open countryside
4. The land lies within the North Downs Special Landscape area
5. The land fulfills the Green Belt protection from encroachment
6. The destruction of the ecosystem and local wildlife needs a reset
7. The noise, light and waste contamination needs to be removed
8. The breach of the injunction was deliberate and the Council need to use the authority of the court to restore due legal process

Kind regards
