Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Firstly there is a high court order on this land therefore any and all planning applications should be automatically rejected! The persons currently residing there have had no regard for their surrounding neighbours or the countryside! They have caused destruction and damage to the local community. Numerous previous planning applications for residential use have already been refused - therefore this should also be rejected.

Kind regards
