I wish to **object** to planning application number **20251233** for the reasons stated below:

We the undersigned are writing to express our strong opposition to the proposed development on our local greenbelt land. This green space provides vital habitats, recreational areas, and contributes to our community's well-being. - Our benefits green spaces for mental health recreation, social cohesion, protect our green belt for future generations. There are many areas in and around Gravesend that can be used to build housing: namely the tollgate site be closed for over 20 years the old gravesend hospital also closed 30 years, plus many other sites in around the area, Istead Rise has very narrow road. unsuitable for more traffic, very poor bus service with old buses, that 9 time out of 10 broken down, or cancelled. We have walking group, wildlife, that would no longer be possible, if you cover the area with a new town, that you propose, the council cannot manage, with flood roads, waste collection at present, so new hospital / doctors / don't list / roads all under pressure
