I wish to **object** to planning application number **20251233** for the reasons stated below:

① It will add more pressure to the GP surgery and local hospitals - they are already at maximum capacity!

② More traffic. The area is already getting busier.

③ Already not enough buses so this will increase need for these services.

④ We don't want more cars and more pollution!

⑤ This will ruin the natural environment and views for current residents.
