Commenter Type:	Councillor
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Unfortunately this area already has quite enough undesirable people causing trouble living in the area and the police regularly visit the address which planning is proposed for and I feel it is irresponsible of Gravesend council to even consider increasing the occupancy level at this address and subject the local law abiding residents to even more problems. I understand that they have to be housed somewhere but no more here thankyou
