Reasons for comment:

Comments: We object to the proposed election of an outbuilding in the rear garden of 232 Singlewell Road. The previous owner already did a huge amount of damage by chopping down two large pine trees, which were home to numerous species of animals and insects. To be able to erect an outbuilding, more trees would have to be destroyed and in this day and age when we all need to be more mindful about looking after the environment, we think it would be highly inappropriate. [REDACTED]
[REDACTED], instead of the beautiful green trees we currently see. This will devalue the cost of our house, which we are not happy about.

Kind regards
