22nd December 2022

Dear Sirs

Re The Old Parsonage, Butchers Hill, Shorne, Gravesend, DA12 3EB
Application for variation of condition 4 attached to planning permission
Reference 20200307 for Construction of a garage and drive from
Butchers Hill with demolition of an existing timber store building; to
enable the timber store to remain until the new garage is constructed
so it can be used for building material storage during the works.

We refer to the above planning application, your reference GR/2022/1291 and would make the following comment.

The Society notes that the Old Parsonage is a Grade II Listed Building in the Shorne Conservation area. The Society further notes the proposal could impact on land form and the setting of the Listed Building.

If consent is to be granted the Society would suggest that conditions are imposed controlling any change of use of the structure, and requiring a landscaping scheme to be submitted with a view to introducing trees to mask the structure.

Yours faithfully

Mrs P A Lippiatt
Hon. Secretary
