Dear Ms Harrison,

Meopham Windmill, Wrotham Road, Meopham, Gravesend, Kent DA13 0QA
comment on application 20250170: Listed Building Consent for the removal of failed mortar haunch from abutment junction of engine house roof with brick base to the windmill, make repairs to waterproof the roof with stepped lead flashings and soakers in place of the mortar, replace existing fibre roof cement slates with modern asbestos free fibre cement slates where required.

The SPAB Mills Section is supportive of the proposal and application.

Yours sincerely,

SPAB Mills Officer
