Dear Amanda

My LTC colleagues have passed your email to me re wondering where our response on the above application has got to.

Please find attached the response I sent to the Council on 27 September ahead of your 29 September deadline.

Did it not arrive safely and get passed to you?

If it didn't arrive, could you liaise with your IT to check it didn't go in to some kind of IT blackhole. And if it's not arrived, then contact me as I've had no indication that it didn't get sent from my IT system so I'll need to check at this end.

For future reference, if you are expecting responses and they haven't arrived please contact me directly and copy planningse@highwaysengland.co.uk as well just in case I'm on leave etc.

Regards

PS Hi Tony – haven't you retired yet!? 😊

Thank you Tony. That is really helpful.

Poulomee, sorry to bother you but I have a prior approval application located close to the Lower Thames Crossing (App Ref. 20211106). This is a resubmission on a previous refused application and Highways England were formerly consulted on 8th September 2021, but unfortunately I have not received a response. I wonder if you could possibly chase the relevant person please? I would be very grateful.

Thank you in advance.

PLEASE NOTE I am working at home until further notice. Should you wish to contact me please send me a direct email in the first instance with your contact details for me to respond to your request.

Kind Regards

Amanda

Amanda

Ask Poulomee Basu Poulomee.Basu@lowerthamescrossing.co.uk to chase

She is my main point of contact but will not know the answer but should be able to forward to the right person

Hope that helps

Hi Tony

Do you have a helpful contact in terms of receiving comments on a prior approval I have for agricultural building close to the Lower Thames Crossing?

The consultation has expired and I have not received anything, so really wanted to give them a nudge.

Thank you.

PLEASE NOTE I am working at home until further notice. Should you wish to contact me please send me a direct email in the first instance with your contact details for me to respond to your request.

Kind Regards
