Reasons for comment:	
Comments:	Green belt land being used to build 120 houses. This is a small village with small local roads totally unsuitable for the extra traffic the estate will generate. Local schools, doctors, dentist will not be able to cope with the influx of extra people needing places. This will also join the villages of Meopham and sole street and village life will be effective. The area simply cannot cope and does not have the infrastructure to cope with all these homes

Kind regards
