Technical drawing of a window unit showing dimensions and specifications.

Overall Dimensions:

- Overall Width: 3622
- Overall Height: 2655

Top Section (Header):

- Width: 18825
- Height: 16851
- Four small rectangular elements, each labeled 451.

Main Section (Body):

- Width: 16851
- Height: 16851
- Left side features a diagonal line and the number 16854.

Bottom Section (Footer):

- Width: 16850
- Height: 1045
- Three rectangular elements, each labeled 454.
- Three rectangular elements, each labeled 16836.
- Text: "6.8mm clear laminated float glass" (repeated three times).
- Text: "Include special kitemark for UK market" (repeated three times).

Bottom Dimensions:

- 1262
- 1236
- 1125

AS BUILT

Technical drawing of a window unit showing dimensions and components.

Overall Dimensions:

- Overall Width: 3760
- Overall Height: 2730

Window Unit Components and Dimensions:

- Top Sill:** Four vertical sections, each 451 wide. Total width: 18825.
- Main Window Frame:** Divided into five vertical sections. The leftmost section is labeled 16854 and contains a diagonal line.
- Bottom Sill:** Three vertical sections, each 16836 wide. Total width: 16850.
- Bottom Labels:** Each of the three bottom sill sections is labeled "6.8mm clear laminated float glass" and "Include special kitemark for UK market".
- Bottom Spacing:** The distance between the bottom sill and the main window frame is 1130.

AS BUILT

Technical drawing of a glass partition wall. The overall dimensions are 3760 (width) by 2730 (height). The wall is composed of several panels and a base.

Top Section: A horizontal row of four small rectangular panels, each labeled 451. The total width of this section is 3760. The height of the top section is 16851.

Main Section: A large rectangular area divided into five vertical panels. The first four panels are labeled 16854. The fifth panel is a triangular panel. The total width of this section is 18825. The height of this section is 16851.

Base Section: A horizontal row of three rectangular panels, each labeled 451. The total width of this section is 16850. The height of this section is 1130. Each panel contains the text "6.8mm clear laminated float glass" and "Include special kitemark for UK market". The panels are separated by vertical lines labeled 16836. The width of each panel is labeled "EQUAL".

Dimensions:

- Overall width: 3760
- Overall height: 2730
- Top section height: 16851
- Main section height: 16851
- Base section height: 1130
- Base section width: 16850
- Base section panel width: 16836
- Base section panel height: 16850
- Base section panel width: 16836
- Base section panel height: 16850
- Base section panel width: 16836
- Base section panel height: 16850

AS BUILT

Technical drawing of a window unit with the following specifications:

- Overall Dimensions:**
 - Width: 3760
 - Height: 2445
- Top Section (Height 16851):**
 - Divided into four equal vertical sections by three vertical mullions.
 - Each section is 453 units wide.
 - Leftmost section contains a diagonal line and is labeled 16854.
 - Rightmost section is labeled 18825.
- Bottom Section (Height 1130):**
 - Divided into three equal vertical sections by two vertical mullions.
 - Each section is 16836 units wide.
 - Each section contains the text: "6.8mm clear laminated float glass" and "Include special kitemark for UK market".
 - Each section is labeled 16836.
- Bottom Section (Height 16850):**
 - Divided into four equal vertical sections by three vertical mullions.
 - Each section is 451 units wide.
