Reasons for comment:	
Comments:	I object to the proposed development of a McDonald's at this location due to concerns about its impact on a predominantly residential area and its proximity to local schools. The introduction of another fast-food outlet close to schools may encourage unhealthy eating habits among children and increase footfall at peak school drop-off and pick-up times, creating additional traffic and road safety risks. The proposal is also unnecessary given that this would be the third McDonald's within the town, suggesting there is already adequate provision. Furthermore, increased vehicle movements, delivery activity, and potential late-night opening hours are likely to lead to greater noise, litter, and anti-social behaviour, which would negatively affect the amenity and character of the surrounding neighbourhood.

Kind regards
