in whole or in part without
their written permission

NOTES
Do not scale.
Verify all dimensions on site before commencing any work or
preparing any shop drawings.
All building materials, components and workmanship to comply
with the appropriate Public Health Acts, Building Regulations,
British & European Standards and Codes of Practice and to the
appropriate manufacturers recommendations.
For all specialist work see relevant drawings.
All schemes to be set out completely including buildings, roads,
drainage and levels prior to the commencement of any works.
Sites to be checked against Land Registry plans and any
necessary Easements to be established.
Any discrepancies, errors or omissions to be reported to the
architect for further instructions before commencement of works.
