KCC ANAs

- Medium palaeolithic potential ; Area of multi period activity including possible Medieval village of Cossington
- Medium palaeolithic potential ; Area of Multi period archaeological potential based on cropmark evidence
- Medium palaeolithic potential ; Area of multi period based on concentrations of findspots
- Medium palaeolithic potential ; Area of multi-period background potential
- Some palaeolithic potential ; Area of multi period activity including possible Medieval village of Cossington
- Some palaeolithic potential ; Area of multi period archaeological potential based on crop mark evidence south of the HS1 Rail link
- Some palaeolithic potential ; Area of Multi period archaeological potential based on cropmark evidence
- Some palaeolithic potential ; Area of multi period archaeological potential in the Parish of Southfleet
- Some palaeolithic potential ; Area of multi period based on concentrations of findspots
- Some palaeolithic potential ; Area of multi period potential on ground between railway and road
- Some palaeolithic potential ; Area of multi period potential south of HS1
- Some palaeolithic potential ; Area of multi-period background potential
- Some palaeolithic potential ; Cropmark rectilinear enclosures and pits
- Some palaeolithic potential ; Site of Neolithic long barrow
- Some palaeolithic potential ; Site of Neolithic Mortuary enclosure between HS1 and A2
- Some palaeolithic potential ; Site of possible Prehistoric Trackway
- Some palaeolithic potential ; Undated enclosure visible as cropmarks
- Some palaeolithic potential ; Undated enclosure visible as cropmarks
- Some palaeolithic potential ; Undeveloped ground between railway and road
