Reasons for comment:	
Comments:	This proposed scheme is horrendous in every way. We moved from Belevedere to escape the hideous housing, concrete jungle and traffic Congestion to the beautiful Meopham countryside and lovely wildlife. The infrastructure is nowhere near good enough, from the roads/traffic to the medical centre and the flooding already in the area to support yet another 700 odd houses, let alone the destruction of the beautiful countryside. This proposal should never ever be approved!!!

Kind regards
