Reasons for comment:	
Comments:	Activity at the White Post Lane site seems to contravene rulings in place. Excessive disruption to a public right of way; unlawful felling of TPO trees; threatening behaviour in obstructions to right of way; noise pollution with late night felling of trees and construction activity. I feel the rights of law abiding families with young children in this vicinity are being impinged upon significantly with my own children fearful and having sleepless nights. White Post Lane was an area of natural beauty and seclusion but is altered almost beyond repair. We strongly object to this.

Kind regards
