[About the product](#) [Technical specifications](#) [Documents](#)

The BMI Redland plain tile range offers a huge selection of colours and finishes to match the many and varied styles still seen around the UK, including the concrete double lap Plain Tile. Plain Tile is a versatile concrete tile with a traditional appearance available in a wide range of colours and finishes. Easy to fix and able to withstand the worst of the British weather.

Key Features

- ✓ Versatile concrete tile that can be used for the whole roof, wall cladding and fine detail work.
- ✓ Maintains the traditional aesthetic of clay plain tiles, at a more affordable price point.
- ✓ Smooth, coated and sanded finishes to blend with every regional roofing style.
