Dear Avril

Re: Application 20241037
Former Coal Yard, Meopham Railway Station, Station Approach

Following discussion by our Planning Applications Working Group; the Council wishes to provide the following response:

The parish council did not believe the evidence provided gave sufficient information to make a judgement. It was unclear if this was a new or retrospective application in relation to the additional containers. The Council would suggest a GBC site visit is necessary to assess the impact on neighbours and whether the site owners are responsible for mitigating action, particularly fencing and lighting.

Due to the nature and content of the proposed change and the comments above Meopham Parish Council defers its position at this time.

Yours Sincerely

Lisa Winter
Clerk
