Dear Avril

Re: Application 20241051
9 Cricketers Drive, Meopham, Gravesend,

Following discussion by our Planning Applications Working Group; the Council wishes to provide the following response:

The application in scope and size appears acceptable given the overall footprint of the plot, whilst the planned changes should not adversely impact the street scene or have a detrimental impact on neighbouring properties. Subject to suitable and acceptable materials being used in the finish I cannot see any reason to object provided GBC concur that neighbouring properties are not adversely impacted.

We therefore have no objection to this proposal.

Yours Sincerely

Lisa Winter
Clerk
