Dear Mrs Webster

Re: Planning Application No: 20250161 – Request for a scoping opinion in respect of the installation of 3 wind turbines at Britannia Refined Metals Ltd, Botany Road, Gravesend, Kent

Our Ref: LGW5769

Thank you for your letter/email dated 26 February 2025, regarding the above-mentioned consultation.

The proposed development has been examined from an aerodrome safeguarding perspective, and it does not conflict with safeguarding criteria in relation to Gatwick Airport. We would therefore have no concerns. However, should the heights change, I would be grateful if we can be reconsulted.

I have forwarded the information onto London City, Southend & Biggin Hill Airports for comment

If you have any queries, please do not hesitate to contact me.

Yours sincerely
