Dear Amanda

REFERENCE NO. 20250110

PROPOSED DEVELOPMENT Change of use of the land for the stationing of 2 static homes, 2 touring caravans and shared day room for Gypsy/Traveller occupation. Associated hard and soft landscaping
LOCATION Land South Of Pear Tree Lane, Pear Tree Lane, Shorne, Gravesend Kent

I refer to your letter dated 21st February regarding the above planning application.

I can confirm that I do not have any objections to the above planning application at Land South of Pear Tree Lane. Public Right of Way Footpath NS156 lays to the north of the site and NS161 to the south, both of which are unaffected by the application. I enclose a copy of the Public Rights of Way network map showing the line of the path for your information.

The granting of planning permission confers no other permission or consent on the applicant. It is therefore important to advise the applicant that no works can be undertaken on a Public Right of Way without the express consent of the Highways Authority. In cases of doubt the applicant should be advised to contact this office before commencing any works that may affect the Public Right of Way. Should any temporary closures be required to ensure public safety then this office will deal on the basis that:

- The applicant pays for the administration costs.
- The duration of the closure is kept to a minimum.
- Alternative routes will be provided for the duration of the closure.
- A minimum of six weeks notice is required to process any applications for temporary closures.

This means that the Public Right of Way must not be stopped up, diverted, obstructed (this includes any building materials or waste generated during any of the construction phases) or the surface disturbed. There must be no encroachment on the current width, at any time now or in future and no furniture or fixtures may be erected on or across Public Rights of Way without consent.

Yours sincerely
