Reasons for comment:	
Comments:	This is a dangerous place to have access to new site with A227 and Green Lane. Many Lorrie's use the A227 as it is and this would create more vehicles using this road. The A227 is packed with parked cars for school drop offs/pick ups. There is great difficulty already in using the shops as it is difficult to park and there are no disabled parking bays. How is the Meopham Medical Centre going to cope with all these extra people when you cannot get an appointment now.

Kind regards
