## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The adjacent Conservation Area will not look as good. Road access to so many houses will be very dangerous. Loss of a huge area of good quality farmland adding to a loss of food production leading to increased overseas food being imported adding to the carbon footprint. It will break an already overstretched GP Practice. The bus service is not reliable and has an extremely limited timetable.

Kind regards
