Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I disagree with the proposed site being on prime agricultural land when there are brownfield sites as near as Gravesend which have been derelict for years. The roads in Meopham are extremely congested and more housing will exacerbate the problem further. I question the need for this amount of new housing in Meopham. Green Lane is already a pinch point and dangerous again it is wholly unsuitable for an access road for a further 350 houses.

Kind regards
