Reasons for comment:	
Comments:	Norwood Lane is not very wide and access would be very dangerous on and off new proposed site. Additional cars trying to turn onto A227. This road is far too busy and dangerous as it is. GP surgery would be unable to cope as it is difficult to get appointments now. I have had messages to say the surgery can not facilitate today and to go to minor injuries in Gravesend. All this extra traffic would cause problems at the shops.

Kind regards
